Harbor Group Assert No Tax Levy Proposed

The Torrance City Council was asked to "keep an open mind" on the proposed South Bay Cities Harbor district in a letter addressed to the Council by Chairman Sidney Welch. Welch said he believed there would be no necessity for levying an assessment against property within the proposed district, which would extend to Western avenue on the east and to Imperial highway on the north. Councilman George Powell will attend another meeting of the harbor committee of the South Bay cities next Tuesday. The Torrance City Council has asked that the city be excluded.

CHIEF CHAIRMAN GROOMED Harry Naman, general chairman of the Dominguez Area Fiesta Committee, gets special grooming in anticipation of the fiesta to be held on July 24 and 25, corner of Santa Fe and Carson streets. Mrs. Naman assists by giving the whiskerinos a dash of color.

Santa Fe Indian Village

CHICAGO RAILROAD FAIR

You'll think you are really on an Indian reservation in the Southwest—when you visit the Santa Fe Village at the Chicago Railroad Fair this summer (opening July 20).

You'll see Navajos, Apaches, Hopis, Zunis, San Juans and Jemez—125 colorful Indians living in pueblos, hogans and wickiups.

You'll watch ceremonial dances seldom seen away from the reservations, and see Medicine Men make their famous sand paintings and destroy them every day at sundown.

Indian craftsmen weave rugs, make moccasins, baskets and jewelry. In fact, in

the Village you actually see a faithful portrayal of costumes, ceremonies and living quarters of Southwestern tribes. Their way of life today is noticeably unchanged from that of their ancestors who inhabited the Southwest years before Columbus discovered America.

See the big display of railroad equipment

New streamlined cars, and Diesel and steam locomotives of the Santa Fe are a part of the huge displays of railroad equipment at the Chicago Railroad Fair. Another outstanding feature is the great outdoor pageant, Wheels A-Rolling, which dramatizes 100 years of transportation.

Let your local agent give you folders about the Railroad Fair and tell you how easy it is to visit Chicago via Santa Fe
